

Skills test - reading

1. Read through the instructions before you do anything else.
2. Write your name in the top left corner, using a pencil, not a pen.
3. Put your left hand on the top of your head.
4. Look at the ceiling and count to five in the language of your choice, not too loud.
5. Take down the hand from your head, put it on the table next to this paper.
6. Fold the paper once, making it half the size it was.
7. Write the name of you favorite teacher on the paper, but write it backwards.
8. Read the text below, quietly, but hum and nod your head as if you think that it's very clever.
9. Ignore the instructions 2-8.
10. Turn the paper over and stand up, behind your chair, to show me you have understood the task.
