

## Who gets to go?

Imagine you assigned the task to travel to a recently discovered planet and build a community there. You get to bring five people to help you start a new life on this new planet. There are ten people on the list to choose from, which five would you bring?

Discuss this with your group and together try to decide who to bring. Remember to speak English all the time.

1. **Astrid**  
52 years old, works in an old people's home. She has five children, two grandchildren and likes tending to her garden and doing needlework. She lives in a detached house in Motala with her husband.
2. **Ben**  
A 20-year-old NBA-basketball player in the USA. Has a girlfriend but no children. When he isn't playing basketball he enjoys his Playstation.
3. **Åke**  
A 40-year-old farmer who has a large farm near Helsingborg. On the farm there are pigs and cows, as well as large fields. He has two children and a wife.
4. **Clara**  
30 years old, a doctor from Berlin, Germany. She is single and has no children, but a dog. In her spare time she enjoys painting and listening to music.
5. **Samuel**  
A computer scientist, 50 years old. He is divorced and has a grown up daughter. Is interested in anything related to computers. Lives in central Madrid.

6. **Muhammed**  
He is 19 years old and has recently graduated from school. He lives in Baghdad, the capital of Iraq with his mother and five younger siblings. He wants to continue studying and plans a career in the oil industry.
7. **Meg**  
A 39-year-old librarian who lives on the outskirts of London with her boyfriend. She is a member of a chess club and runs Marathons.
8. **Axel**  
A 25-year-old single guy, living on the beach near Sydney, Australia. He is unemployed and spends his days surfing. Is a vegetarian.
9. **Frans**  
45 years old, a Russian army officer. He lives with his wife and two small children in Moscow. Is interested in war history and enjoys reading.
10. **Jean**  
A 39-year-old CEO of a large corporation in the telecom business. Has a wife and daughter in Paris but works in Hong Kong. When he isn't working he spends his time at home in Paris with his family or playing tennis.
